

PROCLAMATIONS:
From Eric's journal
Compiled by Jack Gulbranson in 2019

Yes, you are precious to God and the enemy knows it;

Outside of God there is no hope or meaning.

Life is a vapor, a blade of grass, yet is certain, eternity is around the bend
Your investment is eternity, your soul counts on it!

Our purpose is to live with God forever, God is in the love business,
people choose Hell, they refuse to believe God, and reject God.

Believe it or not, we are lost travelers in a strange city, we take a wrong
turn and we find ourselves in a foreign land.

The House of the Lord is more than a church, it's an embassy for celestial
citizens of heaven, a house of refuge and strength for weary travelers and
a hospital for sick souls.

God's embassy is where ambassadors of souls deploy into the highways
and byways compelling the lost to come in.

When we get saved, we become the Royal Priesthood. God's peculiar
people, redeemed, blood brought and ransomed.

You are sought out by your heavenly shepherd. Just as the 100th sheep
has gone astray, our Lord will seek after and leave the other the other 99
on the Pasture until we are reunited.

You are more valuable to him than the mountains, seas and the glen.

Our Lord is the trailblazer, he's the lamp off the beaten path, we have a lighthouse and his name is Jesus, tonight we can be in a safe harbor away from the spiritual storms.

Fear and Faith do not belong together

Speak to the negative circumstances in your life

Spiritual people are not driven by the visible or what they see with natural eyes

Common fears of Man: Losing affection of people that matter the most to us, associating ourselves with our mistakes, fear of change, settling for the status quo or less than the best and the fear of succeeding or even trying.

Fear, doubt and unbelief is a form of faith dwelling on your circumstances which harm you. A form of idolatry when faith in God is to deliver your man felt strength.

Fear distorts God's purpose and keeps you from experiencing God's plan in your life.

Ask God to reveal the fear of the Lord and you will represent Jesus, you will be a true Ambassador.

As the Lord goes before you, he will fight for you.

Fear demands a biblical response, you have to confess fear as a sin to the Lord. Recognize it, confess and repent of it, claim God's promises of protection.

Every sin committed causes a scar never to be restored until God's forgiveness.

You are only as sick as your secrets!

The spirit of Shame, disgrace, discouragement and being reproached by others causes people to give up.

Disappointment will interrupt your Appointment!

Discouragement comes like a flood when we are weary and tired, it drowns us telling us we can't climb to the surface.

Idolatry is whispered from the Devil's heart

Idolatry is taking credit for the makings of your hands with God's appointed Gifts.

Familiar spirits know your mail!

Be expectant in your prayers and requests, if you expect nothing, you will get nothing.

The solution to your problems is dwelling in me, hope is the womb where faith is born.

God's faith is unleashed in you when you believe.

God's peace includes absence of conflict, be in the worst crises and you will still have peace.

Submit your life and watch the Lord break off your heavy chains and shackles.

Warfare begins when we seek Christ.

If you live life like an unbeliever, it is possible you never knew Him!

Satan's schemes begin to target God's institutions, the church, family and marriage

Who is going to control your mind, God or the world?

Our own strength and talents feeds our pride but cannot save you

Faith lives dormant in us until activated by God's word

Doubt is a choice.

Don't remain on the boat where it is safe, step out in faith.

God understands our weaknesses and wants us to overcome with strength

Sin weakens you, rots you and destroys you!

Are you cooperating with the demons and participating with the worms in your own self destruction?

As sin becomes familiar, you will stink and the stench will draw out the fasting vultures. They know your end is imminent and Carrion is the banquet of the dead which scavengers feed on.

After you remove these worms, the strongman will return with its fellow worms and will wait and tempt you like a dog returns to its vomit.

Be a Host for the Holy Ghost not a host for Hell's worms.

After you die, it begins for these bottom feeders who will eat you alive for eternity without Christ! Is this topic Grisly enough for you? Am I getting to the Guts of the matter?

You need not to be tormented with Satan and the fallen angels, Hell was not designed for man who bares God's image.

Hell was the trashcan where Satan and his fallen breed will spend their eternal sentence.

Remember, the Devil is the condemner, He's God's opposite and this is the Devil's world.

Being a Godly servant is not seeking approval, fame or popularity.

You are made in the image of God, we are his spiritual clones, yet we bear our souls, and not one of us is alike.

We are made for God's pleasure, our purpose is to glorify him in every aspect of our lives.

What's the accomplishment in gaining this world and all your dreams down here only to see them burn away in eternity!

An attitude of passivity does not please God, be bold with the truth!

We have not because we ask not. God makes our impossible, possible.

Cry out, your prayers will not go unnoticed!

God is listening, even when we are complaining, God listens to the voice within our hearts.

People are afraid to ask God for material things, feeling they would offend God, they presume God is unconcerned, but God cares and is concerned about the things that concerns you.

If you give in fear, you will not be an overcomer, be willing to step out in the void.

Fear is assurance that the armaments of our enemy is stronger than our promises of God.

The emotion driven by fear gives birth to doubt and unbelief.

Unbelief keeps you from having inner peace.

Our faith will be tested, in order to make us strong even in intolerable situations.

The mind is the most fertile in rest, rest in God, allow him be your assurance.

Be molded in fortitude, not by criticism.

Guilt mocks your past mistakes, people's problems cemented in the past

Be in awe of God, not your problems.

Worry, anxiety and fear lead to sickness.

God is touched by the feelings of our infirmities.

We are a product of what we hear and think.

Reason speaks to our natural mind about how impossible it is, listen to the voice of the spirit and you will stop gravitating back to reason.

Man's spirit is soulish selfish, the nature of sin is present even after redemption from fallen sin. The residue of the old man is strong, we are in a constant state of continuous civil war.

The Devil's goal is to destroy God's greatest creation Man. But Satan is defeated and doesn't have legal right to drag you into hell, unless you sign ownership papers over to him!

Satan desires us to drift away from God as capsized believers be firmly anchored, don't drift!

The Devil loves to provoke your emotions and uses the desires of the flesh to destroy you.

Give your weak bricks to the Lord and place them in his oven, let him mold you a new strong foundation.

We are to glorify God because he cherishes our weakness, he loves to shine forth in our disasters

If you could be saved by the Law, why did you need Jesus?

Your flesh will decay with the elements, but our soul is eternal, the spirit is waiting for a metamorphous, you will eject out of your earthly bodies into eternity, God's spirit is calling upon our Spirit, it is joining time, a Nexus, a Fusion!

The world is not happy and God knows this, he is waiting to be acknowledged and make you complete, and make the crooked places straight.

Our Paths will come to a natural end, God's plan is eternal, glorify and praise me in everything you do.

Life is a gift from God, you have no right to waste it when you refuse to use the unique gifts God has given to us. Don't take those ideas, gifts and talents and plan for our life to the grave!

The Gospel is a treasure and it is hidden to the lost. After salvation, the treasure chest is opened.

Potential does not have a retirement plan!

When you die to yourself you find life.

You cannot kill a dead man when Heaven is his home.

God is crazy about you, he wants you for himself and demands your fellowship, your attention and all of your life, your cares and concerns.

God loves to do makeovers. He is in the salvage business to restore. He loves to dazzle us.

God can't solve your problems, while you are solving them!

You cannot dive deep into the mysteries of Heaven with your intellectual scuba gear.

When in need, send out a SOS to our savior, call out to God in distress, send out a flare and God will be our Light House.

Living only on facts and not faith is agonizing.

God took out his anger and wrath against sin bore by his Son Jesus

The throne of God is beyond comprehension. Brilliant beyond our ability to think and imagine.

The natural man cannot fathom the spiritual mysteries of God. God gave us the natural to illuminate the supernatural.

Jesus is the Doorman and the Porter that will meet you at the portal into eternity.

We are on an Odyssey taking us through eternity. We have a great opportunity to call upon the Lord, to repent, to cry SOS, I need you, I am Lost! I'm confused, please save me! I want life, I want you to be the lamp on my path.

You are a host to the Holy Ghost or a home to Demons,

If you play billiards at the Pool Hall, you will become the 8 Ball

If you visit Delilah's Den and watch the beautiful flamingos dance, you will be overcome by the appetite of Lust

What kind of temple are you, you are a temple of bronze, pewter and Gold our bodies are temples, you are a dilapidated building,

Your body and soul are immortal, they don't die, your house guests will eat you where the worms never get full for eternity

You will have vivid memories as you Nash your teeth. The holy spirit evicts sin

Satan likes to poke us when you are down, like a wounded animal, a wounded fish pursued by sharks,

Sin makes you sick, weak and vulnerable to the invisible scavengers and soul hunters some creatures eat the dead in the natural realm,

When you die in sin, you are still being eaten, but now you see your guests, lust greed, un-forgiveness, shame, fear, they poke you again and again I eat you again and again where the worm never stops.

Friends, I am warning you not to be soul food, but be temple of the Holy Ghost, and future resident of Heaven,

Writings found in Eric's Office:

Do not worry about what other people think of you, trust me and don't be afraid, for I am your strength, song and salvation

Do not wear yourself out by worrying about whether you can cope with the pressures. Keep looking to me and communicating with me as we walk through this day together.

I am training you to cultivate a thankful mindset. This is like building your house on a rock where life's storms cannot shake you.

As you learn the lessons, are to teach them to others, I will open up the way before you one step at a time.

As you walk close to me saturating your mind with scripture, I will show you how to spend your time and energy. My word is a lamp to your feet, my presence is light on the path.

Throw off unrighteousness, enjoy the gift I fashioned for you before the foundations of the world.

I want you trust me enough to realize your privileged position in my Kingdom.

Time spent with me only increases your trust, it also helps you discern what is important and what is not.

Be still and attentive in my presence.

Be on the lookout for all that I have prepared for you.

Pray about everything and leave the outcome to me.

Delight yourself in me, for I am the deepest desire of your heart.

Let go, relax, be still and know that I am your God.

I am training you in steadiness. Don't let unexpected events throw you off course.

As soon as something grabs your attention, talk to me about it. I share your joys and problems. I help you cope what whatever is before you. This is how I live in you and work through you, this is the way of peace.

When you criticize or complain, you are acting as if you could run the world better than I do.

When I give you no special guidance, stay where you are!

Be careful not to complain about anything, even the weather, since I am the author of your circumstances.

Nothing is random in my kingdom. Everything that happens fits into a pattern for good, to those who love me.

Talk to me about what you are experiencing, let my spirit guide you through treacherous waters.

It is impossible for you to have a need that I cannot meet. I created you and everything that is.

Thank me for troublesome situations, the peace they cannot produce far outweighs the trials you endure.

I am training you to find me in each moment and to be a channel of my loving presence.

I trust you Jesus, there is a time for everything and everything in its time.

Nothing is as important as spending time with God.

Don't take yourself so seriously, Lighten up and laugh with me.

I can equip you to do absolutely anything, as long as it's within my will.

You must learn to discern my voice and what is not. Ask my spirit to give you this discernment.

You are on the right path, do not expect anyone to understand fully my ways with you, any more than you can comprehend my dealings with others.

I am revealing to you the path of life, day by day, moment by moment. Yes I am with you always, holding your right hand,

I am fully aware of your situation and I will not allow you to be tempted beyond what you are able to bear.

In everything give thanks, for this is my will for you. I am with you and will watch over you wherever you go.
Time is timeless.

I am your travel guide fellow ambassadors, to encourage anyone here who wants a passport. The passport can't be earned or bought. It's a priceless gift, stamped by the blood of the author and finisher of your faith.

My question to you is what is a passport? A passport is a document of citizenship allowing one to travel abroad from one country to another, providing safety and diplomatic immunity to the traveler.

If any is interested, make your reservations. Call your travel consultant and get excited. You are all passing towards a date with eternity.

Get ready, the God of eternity wants to dwell in your heart to transform you and pull you out of your identity crises. Like the sound of the trumpet, in a twinkling of an eye you will be in eternity.

We are all sojourners, temporary guests passing through. Our physical vessels can only take us so far and occasionally runs out of gas. The journey here doesn't end, where will you take your soul and spirit? God's son became our map.

The Holy Spirit is our navigation system. You see, the son of God and Man emerged here on earth, leaving his Heavenly Estate. His mission was the cross, to be our trailblazer defeating the God of this World and the great obstacle Death at the cost of his life.

Satan is the Lord of this world and is lurking on your path. He has set many detours along the way. Satan and his demons will seduce you with sin and a prideful love of this world. He wants to distract you with

everyday things and will use religion and superficial sacrifices to replace a true relationship with him and holy obedience.

The broad highway is filled with its lusts and immediate gratification which will not satisfy your soul.

Be careful about the cares of this life and its distractions. Do not pick up these spiritual hitchhikers along for a free ride but at a cost of your soul. Your soul has a conscience, and this eternal compass urges you to look vertical. True North on Jesus.
